Protecting Consumers

Pumpkins

In Season:

Mid August — Mid November

Look for pumpkins with smooth, plump skins. Select for heavy weight. Should have firm skin, not soft or spongy.

Candied Pumpkin

- 1/4 cup unsalted butter
- 3 cups fresh pumpkin, cut into 1/2-inch cubes
- 1/3 cup white sugar
- 3/4 cup maple syrup
- 1 tablespoon minced fresh ginger

Melt the butter in a large skillet over medium-low heat. Cook the pumpkin in the butter until tender, about 20 minutes. Add the sugar and stir until dissolved. Stir in the syrup, ginger, and cinnamon; remove from heat and allow to cool. Transfer to a bowl and cover. Refrigerate at least 2 hours before serving.
